

Thesis Title	Thesis Title (optional)	Title	Full Name	Medical Center	Hospital Ward	Email
Adrenal surgery		Dr	Monica Laniado	Bney Zion	Surgery	monica.laniado@gmail.com
Gastric and duodenal involvement in MYH polyposis		Dr	Elizabeth Half	Rambam	Gastroenterology	e_half@rambam.health.gov.il
Facial movement in mammals: anatomical, biomechanical, and evolutionary perspectives		Dr	Assaf Marom	Faculty of Medicine - Technion	Anatomy	assafma@technion.ac.il
Physical activity barriers and support factors in pediatric patients with inflammatory bowel diseases		Dr	Ramit Magen Rimon	Rambam	Pediatric gastroenterology unit & Pediatrics A ward	r_magen@rmc.gov.il
Correlation between left ventricular mass and troponin release after cardiac surgery		Dr	Dror Leviner	Carmel	Cardiothoracic surgery	drorleviner@gmail.com
Characteristics and trends of pediatric ophthalmology consultations in a tertiary hospital		Dr	Eedy Mezer	Rambam	Pediatric Ophthalmology Service	emezer@technion.ac.il
השפעת מחלקת האשפוז על פרוגנוזה של מטופלים עם ACS		Dr	Ofer Kovo	Hillel Yaffe	Cardiology	ofermkobo@gmail.com
Hand-assisted laparoscopy for liver resection among patients with metastases of colorectal origin: Assessment of safety and efficacy in Carmel Medical Center.		Dr	Ahmad Mahamid	Carmel	Department of General Surgery B,	mahamidam@yahoo.com
Correlation between preoperative Vitamin D deficiency and the postoperative complications after colorectal liver metastasis resection		Dr	Ahmad Mahamid	Carmel	Department of General Surgery B,	mahamidam@yahoo.com
Liver hand assisted laparoscopic surgery (HALS) in the elderly patient, A single center experience		Dr	Ahmad Mahamid	Carmel	Department of General Surgery B,	mahamidam@yahoo.com

Neutrophils-to-lymphocyte ratio as a predictor of postoperative complications and survival in patients after pancreaticoduodenectomy for pancreatic head cancer		Dr	Ahmad Mahamid	Carmel	Department of General Surgery B,	mahamidam@yahoo.com
A retrospective analysis of cardiac arrhythmic episodes during acute illness states		Dr	Gilad Margolis	Hillel Yaffe	Cardiology	gilad.margolis@gmail.com
The effect of High Flow Nasal Cannula on respiratory pressures		Dr	Yaron Bar-Lavie	Rambam	Critical Care Medicine	ybl@rambam.health.gov.il
Complementary medicine; Integrative medicine; acupuncture; hypnosis; guided imagery; reflexology		Prof	Elad Schiff	Bnei Zion	Internal Medicine B	elad.schiff@b-zion.org.il
Simple surrogates of insulin sensitivity in children with obesity		Prof	Ram Weiss	Rambam	Pediatrics	ramw@rmc.gov.il
Skeletal uptake on PET scan with and without corresponding bone lesions on CT as a prognostic factor of pathologic fractures among breast, lung and prostate cancer patients		Dr	David Nikomarov	Rambam	Orthopaedic Surgery, Orthopaedic Oncology unit	d_nikomarov@rambam.gov.il
Antimicrobial stewardship; Pathogens resistance to antibiotics; Travel medicine		Dr	Bibiana Chazan	Haemek Afula	Infectious Diseases	chazan_b@clalit.org.il
The impact of age on the long term efficacy of endovascular repair of abdominal aortic aneurysm		Dr	Offer Galili	Carmel	Vascular Surgery	offer_ga@clalit.org.il
Biological therapy in patients with rheumatic diseases with special emphasis on spondyloarthritis		Dr	Devy Zisman	Carmel	Rheumatology	devyzi@clalit.org.il
The contribution of bone marrow stroma to the development of acute myeloid leukemia		Prof	צוקרמן	Rambam	hematology and cellular immunotherapy	t_zuckerman@rambam.gov.il

CARDIOLOGU; EMERGENCY MEDICINE		Dr	Salim Halabi	Carmel	EMERGENCY MEDICINE	salimha@clalit.org.il
Comorbidities and biological therapies in patients with inflammatory rheumatic diseases as spondyloarthritis		Dr	Devy Zisman	Carmel	Rheumatology	devyzi@clalit.org.il
Screening for the detection of oral cancer - the results of the Multidisciplinary Institute for early detection of cancer and screening Tests of the Rambam Medical Center		Dr	Ragda Abdalla-Aslan	Rambam	Oral and Maxillofacial Surgery	ragdaa@gmail.com
Clinical significance of serum ferritin levels in patients with systemic sclerosis		Prof	Alexandra Balbir-Gurman	Rambam	Rheumatology Institute	a_balbir@rambam.health.gov.il
Medical Clowning and the effect on children's anxiety in eye clinic at HaEmek hospital	Preseptal and orbital cellulitis -a comparison between the Medicare medical records of patients admitted to the hospital 30 years and five years ago	Dr	Orly Halachmi Eyal	Haemek Afula		Md.Halachmi@gmail.com
נושאים שונים ברפואת האם והעובר	נושאים שונים ברפואת האם והעובר	Prof	Rinat Gabbay-Benziv	Hillel Yaffe	Obstetrics and Gynecology	gabbayrinat@gmail.com
The accuracy of combining CT/PET PSMA and genomic testing in detecting clinically significant prostate cancer	differences in adhesion to intravesical treatment of non muscle invasive bladder cancer among males and females in the north	Dr	Azik Hoffman	Rambam	Urology	a_hoffman@rambam.health.gov.il

Clinical, biochemical and genetic characteristics of metabolic disorders in North Israel	Clinical, biochemical and genetic characteristics of metabolic disorders in North Israel	Dr	Galit Tal	Rambam	Pediatrics B, Metabolic Clinic	g_tal@rmc.gov.il
Advanced Breast Cancer Diagnosis in The covid 19 Era	The Utility and Reliability of Second Look Ultrasound in the Evaluation of Suspicious Breast Lesions	Dr	Veronica Sandler	Carmel	כירורגית א'	sh.veronica@gmail.com
MEDICATION SAFETY (several research options)	MEDICATION SAFETY (several research options)	Dr	OPHIR LAVON	Carmel	CLINICAL PHARMACOLOGY AND TOXICOLOGY	ophir.lavon@clalit.org.il
Ferritin as prognostic factor in systemic sclerosis	The risk of osteomyelitis in patients with scleroderma digital ulcers, the role of scintigraphy	Prof	Alexandra Balbir-Gurman	Rambam	Rheumatology Institute	a_balbir@rambam.health.gov.il
Relationship between the fetal nuchal fold measurement during pregnancy and pregnancy outcome	Relationship between the fetal nuchal fold measurement during pregnancy and pregnancy outcome	Prof	Alon Shrim	Hillel Yaffe	OB/GYN	alon.shrim@gmail.com
Does pre-op patient's knowledge improve weight loss outcome following bariatric surgery?	10 YEARS FOLLOW-UP FOLLOWING BARIATRIC SURGERY	Dr	DVIR FROYLICH	Carmel	SURGERY B	dvirfr7@gmail.com

Comparison between expectant and intervention management in women attempting trial of labor after cesarean section Author(s)	The Optimal Cervical Ripening Performed for Fetal Well-being Indications	Dr	Khatib Nizar	Rambam	יחידת US	khatibnizar@yahoo.com
The histological response of gingival tissue to Intense Pulsed Light (IPL) technology	none	Dr	Yaniv Mayer	Rambam	Department of Periodontology	dr.yaniv.mayer@gmail.com
Anatomical characterization of the fascia in humans	Anatomical characterization of the fascia in humans	Dr	Prof. Asya Rolls and Dr. Assaf Marom	Faculty of Medicine - Technion	אנטומיה	assafma@technion.ac.il
Air pollution and neonatal outcomes	Air pollution and neonatal outcomes in Haifa bay area	Prof	Ido Solt	Rambam	Obstetrics & Gynecology - Feto-Maternal Medicine	ido.solt@gmail.com
Complications and in-hospital mortality of VT ablation associated with valvular disease - Data from a large US registry	Left atrial appendage occlusion procedure - Association of valvular disease to complication and mortality: Data from a large US registry	Dr	Eran Leshem	Hillel Yaffe	Cardiology department, EP unit	EranL@hymc.gov.il
The needs of women versus men physicians for academic promotion: A comparative research	Non	Dr	Fuad Basis	Rambam	Hospital Management/ Emergency Department	f_basis@rmc.gov.il
Results, complications and overall satisfaction of patients undergoing Otoplasty using a combination of Kaye and Furnas methods	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.gov.il
Validation of BDDQ in order to identify body dysmorphic disorder	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.gov.il
Burnout among surgeons vs. internal medicine doctors	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.com

Prevention of pressure ulcers as a result of prone position in COVID-19 ICU	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.gov.il
Factors influencing Mohs Micrographic Surgery outcomes	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zelzer@rmc.co.il
Epidemiology of Mohs Micrographic Surgery patients	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.gov.il
Can hypobaric environment cause complications after abdominoplasty?	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.gov.il
Can Carbon-monoxied hemoglobin predict burn healing?	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.gov.il
בדיקת יעילות הטיפול בפסוריאזיס, אטופיק דרמטיטיס, אלופציה אראטה ואלופציה אנדרוגנית בדגם עכבר	NA	Prof	Assaf Zeltzer	Rambam	Plastic Surgery	a_zeltzer@rmc.gov.il
Can alopecia areata be triggered by perceived stress?	NA	Prof	ASSAF ZELTZER	Rambam	Plastic Surgery	A_ZELTZER@RMC.GOV.I L
Development of a hidradenitis suppurativa xenograft mouse model	NA	Prof	ASSAF ZELTZER	Rambam	Plastic Surgery	A_ZELTZER@RMC.GOV.I L
Can psoriasis be triggered by perceived stress?	NA	Prof	ASSAF ZELTZER	Rambam	Plastic Surgery	A_ZELTZER@RMC.GOV.I L
rejuvenation of human hair follicles	NA	Prof	ASSAF ZELTZER	Rambam	Plastic Surgery	A_ZELTZER@RMC.GOV.I L
BIOLOGIC THERAPY IN PSORIATIC ARTHRITIS AND SPONDYLOARTHROPATHIES	BIOLOGIC THERAPY IN PSORIATIC ARTHRITIS AND SPONDYLOARTHROPATHIES	DR	Devy Zisman	Carmel	RHEUMATOLOGY UNIT	devyzi@technion.ac.il
The effect of flow during high flow nasal ventilation on CO2 levels in preterm infants.	NA	DR	Ori Hochwald	Rambam	Neonatal intensive care unit	ori.hochwald@technion.ac.il

Long term outcome of sleeve gastrectomy and gastric bypass-A retrospective study	Sociodemographic characteristics impact on Bariatric surgery outcomes	DR	Dvir Froylich	Carmel	Surgery	dvirfr7@technion.ac.il
Improving the yield of targeted prostate biopsies and avoiding unnecessary biopsies	Validation of pre-prostate biopsy risk stratification in different ethnic groups in Israel	DR	Zaher Bahouth	Bney Zion	Urology	zaher.bahout@technion.ac.il
Association between the fetal nuchal fold and pregnancy outcome	Sonographic prenatal predictors for shoulder dystocia in low risk population	PRO F	Alon Shrim	Hillel Yaffe	Ob/Gyn	ashrim@technion.ac.il
Pediatric SJS/TEN	Pediatric SJS/TEN	DR	Naomi Gronich	Carmel	Community Medicine and Epidemiology	gronich@technion.ac.il
Use of Methotrexate in Toddlers with Atopic Dermatitis	Outcomes of Systemic therapy for Pediatric Alopecia Areata	DR	Eran Cohen-Barak	Haemek	Dermatology	erancb@technion.ac.il
